3.3 The Respondent violated California Health and Safety Code section 25160.2, subdivision (b)(4)(H), in that on several occasions in 2004, Respondent failed to include a statement on the receipts, signed by the generator, certifying that the generator has established a program to reduce the volume or quantity and toxicity of the hazardous waste to the degree, as determined by the generator, to be economically practicable.

3.4 The Respondent violated California Health and Safety Code section 25250.9, subdivision (a), in that on several occasions in 2005, Respondent failed to provide written notification in the form shown in Attachment A to each generator from whom a transporter receives used oil regarding disposition out-of-state.
